

# COMFORT HEIGHT ROUND TOILET

BY BISMAN

The Bisman white two-piece toilet combines functionality with sleek design, featuring a convenient side flush and a p-trap configuration for efficient drainage. The round, slow-closing seat ensures quiet operation, while the comfort height of 16.5" provides ease of use. This high-efficiency unit uses just 1.6 gallons per flush, offering effective performance and water conservation in one sleek package.

## INCLUDES
